Cleveland, Ohio

1998

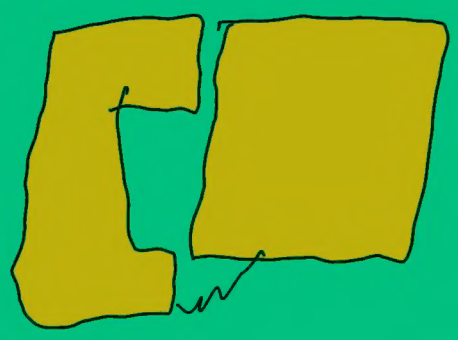
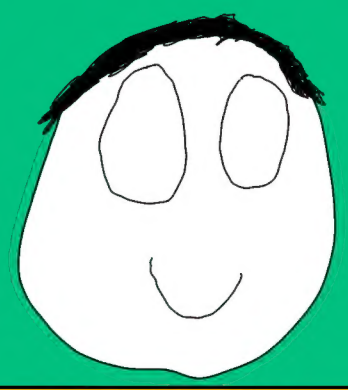
Oh sweetie there's no such thing as Evil Smiley! That's just your classmate Divad!

Well honey, I'd love to stay and chat but I gotta get to the office and get ready for tomorrow's big case!





Is this the guy that raped and killed all those women... allegedly?

No this is the public masturbator! Allegedly! Just like our neighbor Jerry! It's his 29th birthday today!

Central Cleveland Kindergarten

I'm going to end your fucking life Smiley.

Bad Kids: David, Ronny, Divad
Good Kids: Shelly, Jason, Muhammad

Divad! Did you threaten to kill David?!

You're special!

No I said I was going to end his fucking life.

Well okay then!

You're special!

Wait a minute! You can't say the F-word!

zOMG!

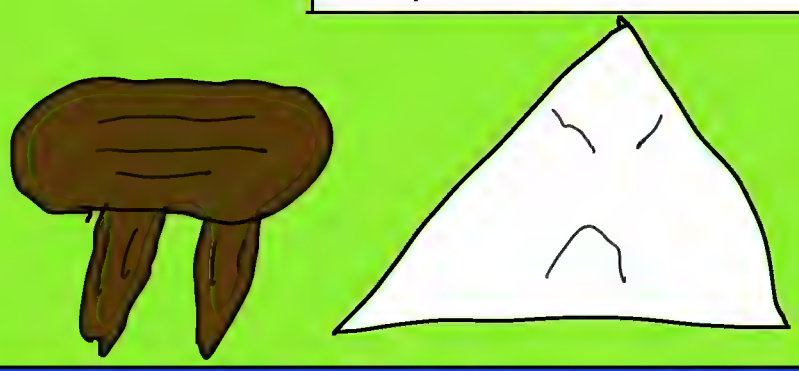
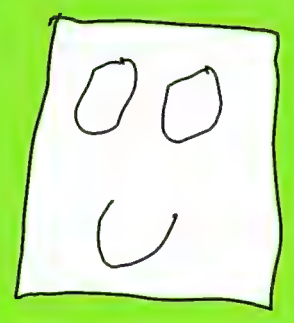
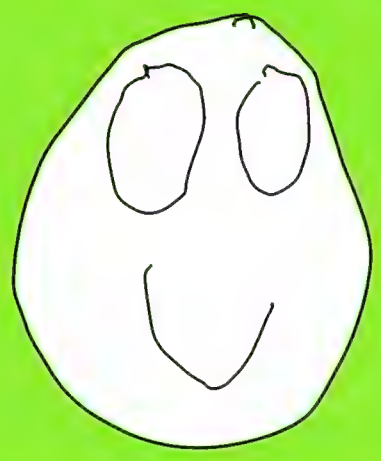
Silence Catherine #9001 you incessant blabberer! Your Earthling prattle is well-testing of even an advanced being such as myself!



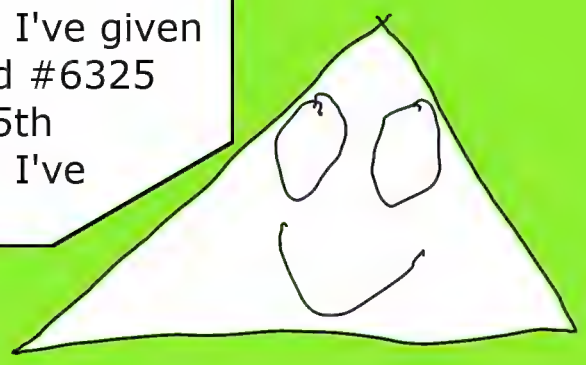
geez triangely your such a mr crabbypants! maybe you need to take a chill pill or something!





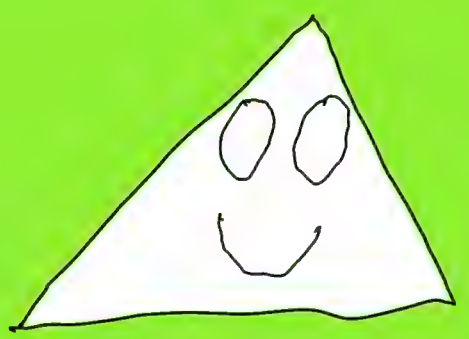
why does everyone have a nunber in there names triangely?

That is quite simple. On Earth there are many individuals with repeated names unlike on my home plane where each name is unique. To avoid confusion I give each Earthling with I've encountered with a non-unique name a numerical designator. For example, I've given you the designation David #6325 because you are the 6325th individual with that name I've encountered.

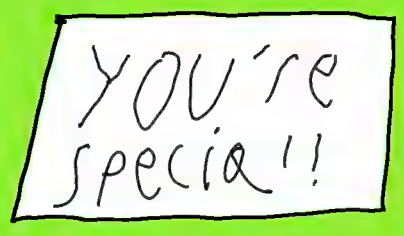


wow! you saw a bunch of davids? have you met my patron saint?

If you are referring to David #1 indeed I have. When I encountered him he had a most curious fascination with acquiring precupices.

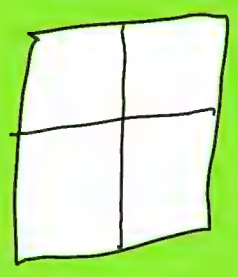


whats a press a piss?



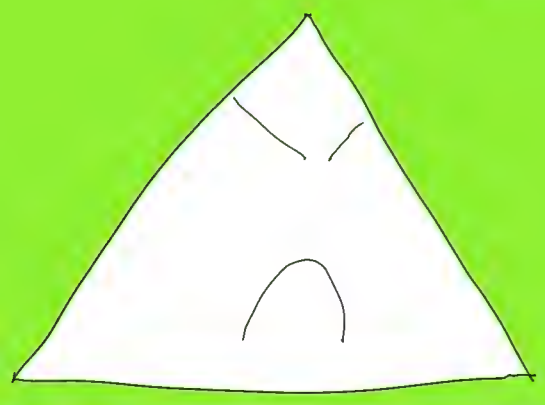
I think he means precipice David! Those are the cliffs on mountains!

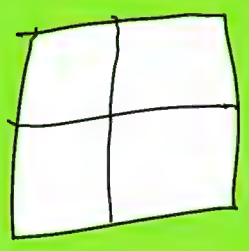
No, Jeanine #423 I said precupice, not precipice! Such a foolish error for a reputed woman of learning! The precupice, also known as the foreskin is-

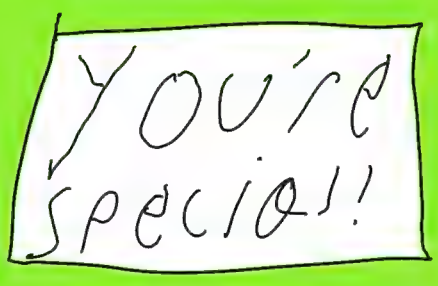


Enough Ronny!
(How does a five-year old know about this stuff?)

Silence woman! For I am not Ronald #7579 as you say but rather I am Yelgrog, destroyer of worlds!



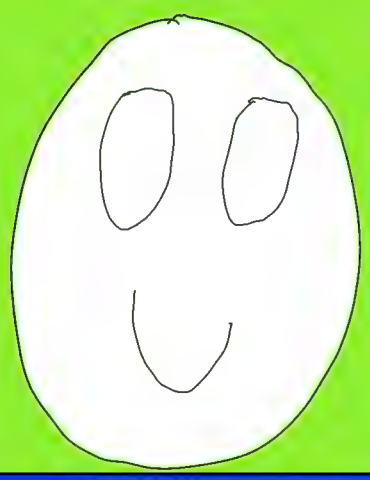




Enough with the spaceman play Ronny!

poot WAAAAHHHHH!
I WANT MY MOMMY!

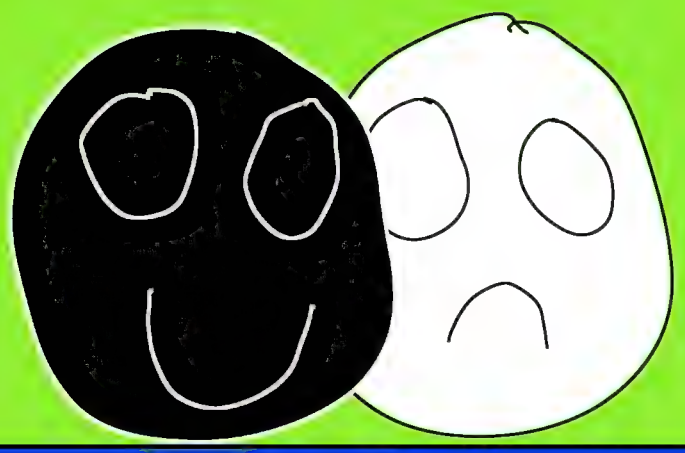
(I think Yelgrog, destroyer of worlds just shit his pants.)



you should wear pullups triangely! the comershuls say you gotta wear them if your a big kid! i can go to sleep and wake up with a clean bed cuz i weared pullups instead of undies!

Alright class! Ms. Perlman has some important business to take care of!
I'll be back in a few minutes!
Behave yourselves!

There is no longer anyone to hear your screams Smiley.



Err... I forgot my knife. You live... for now.

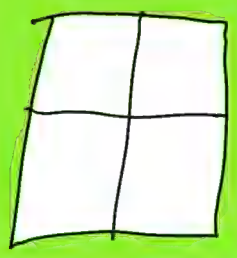
Okay class, I'm back. Please stop with the homophobic comments!



Bad Kids	Good Kids

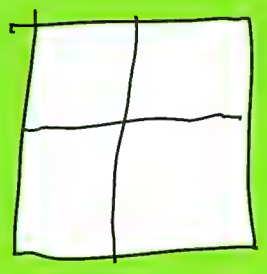
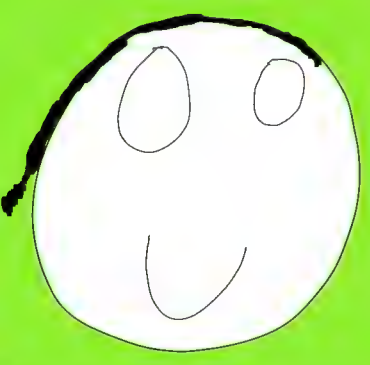
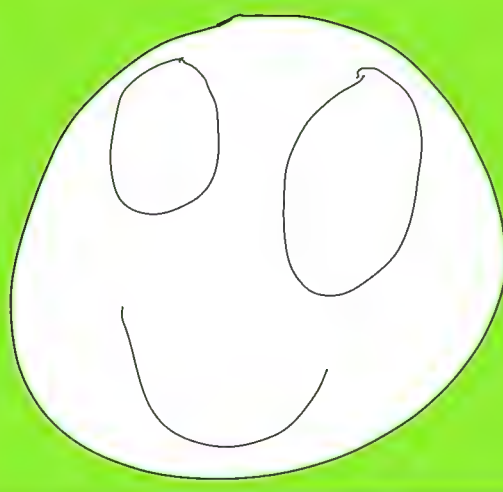
like how i love my momy?



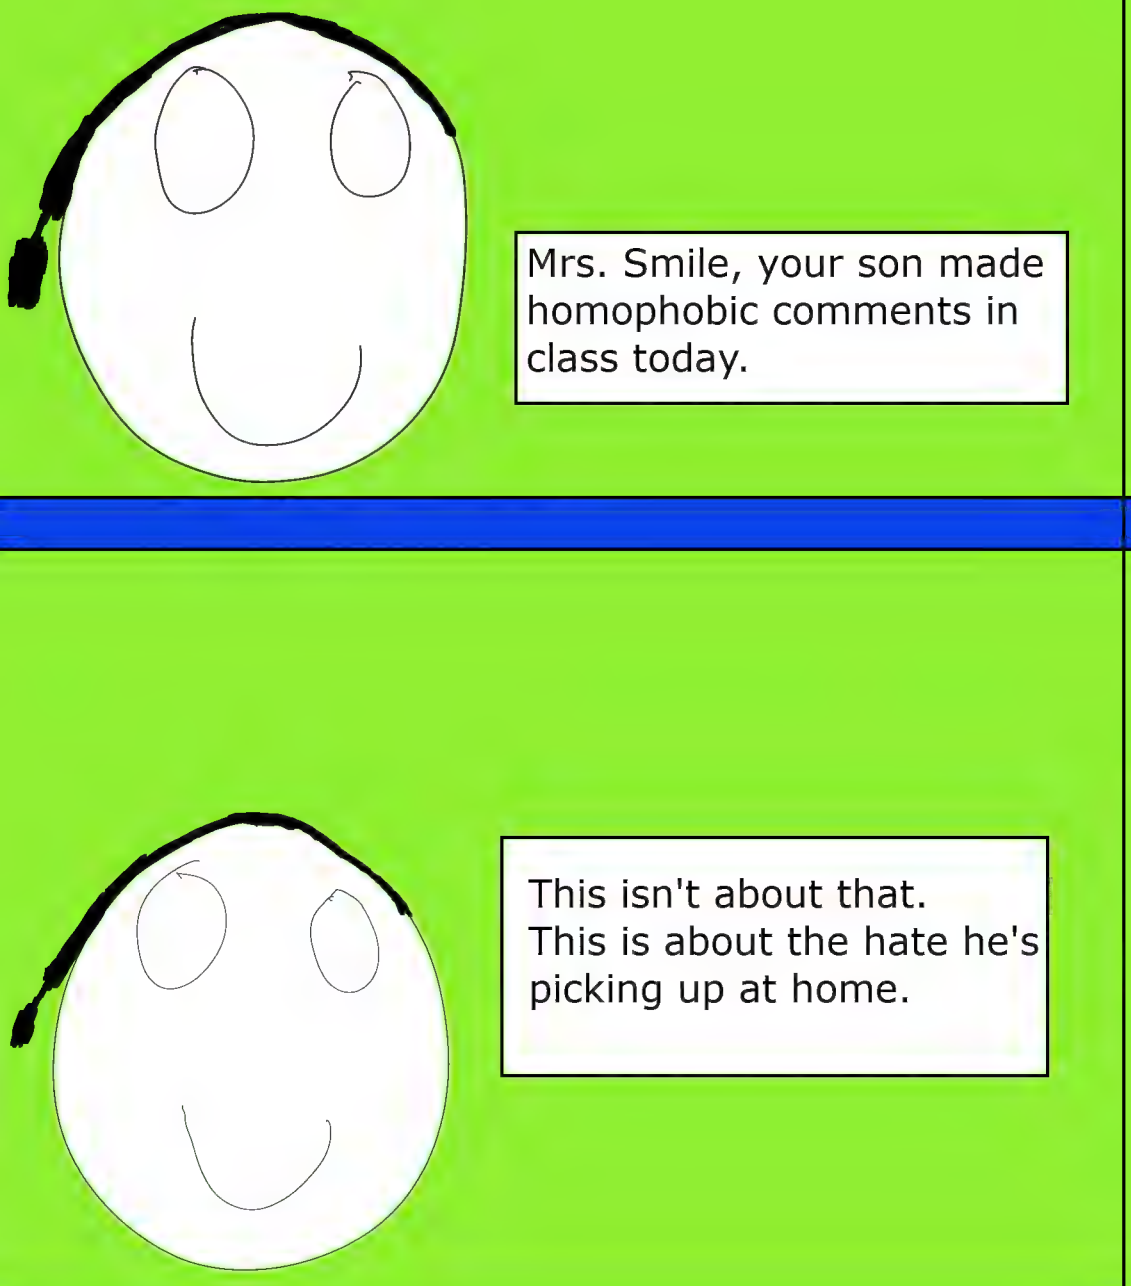


No I mean the kind of love boys and girls have for each other that makes them want to get married.

your so silly ms perlman! two boys cant mery each other!



After school



Mrs. Smile, your son made homophobic comments in class today.
This isn't about that.
This is about the hate he's picking up at home.

Jeanine, he's five.
He doesn't need to be learning about gay stuff.
Well we're Orthodox Christians so we don't really believe in... alternative lifestyles.

Is she single?

No, she has a girlfriend. Also her girlfriend is black. You know what they say about going black.

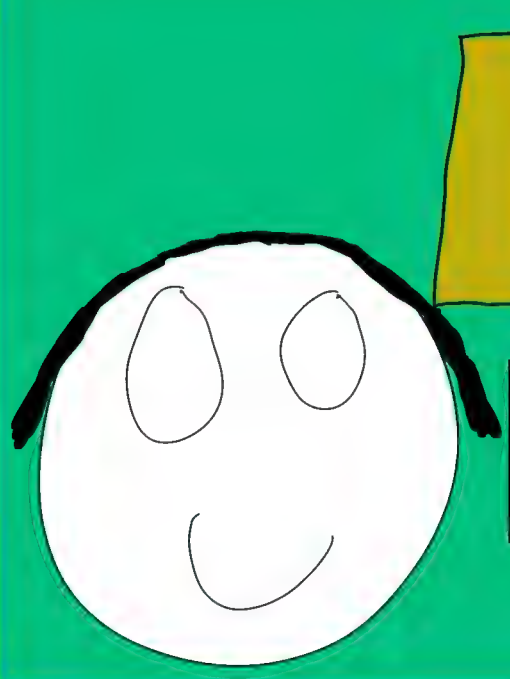
You think maybe they'd be open to a ménage à trois?

That's not my decision to make but I'm going to guess probably not.

WAIT A MINUTE THAT'S NOT THE ISSUE HERE! I'M GOING TO CALL YOUR HUSBAND ABOUT THIS!

FINE THEN GO AHEAD BITCH! SEE IF YOU STILL HAVE A JOB AFTER THIS!

Earlier that day



It sure is quiet without the boys around! I think I'll go get groceries today!

Where should I go today? Can't go to Kroger there's too many old people.

I strangled a hundred Japs to death with my bare hands!

Innocent, you fought in Korea.

I know! This was when I was in Tokyo for R&R!

Sorry about your uncle Anna.

Can't go to Meijer there's too many gays.

Hi! Do y'all have dildos?

Aisle 7.

Cleveland Food Mart

Hey Natasha!

Oh hey Helen!

Christ is risen!

Indeed He is risen!

Helen! You have to stop your brother! He's unhinged!

The previous day

If you're reading this you're gay

ελλαδα

Are you Natasha Smile, George's sister?

Yeah, why?

ελλαδα

I'm Justin Spirodakis, Helen's brother! I'm looking for a white Orthodox woman to marry and have children with!

Why a white woman specifically?

ελλαδα

Because I don't want my children to come out a different color than me.

GET LOST CREEP!
I'M NEVER MARRYING YOU!

ελλαδα

George tells me you're desperate for a man.

YEAH! A MAN!
NOT AN UNEMPLOYED RACIST LOSER WHO ONLY SEES WOMEN AS BABY INCUBATORS AND STILL LIVES WITH HIS PARENTS!

ελλαδα

Oh, c'mon Natasha. I think you'll find I'm really a nice guy if you get to know me.

I'M ALMOST TEN YEARS OLDER THAN YOU! YOU'RE LIKE A CHILD TO ME!

ελλαδα

Mommy...

WHAT?! FUCK OFF JUSTIN!

ελλαδα

WELL FUCK YOU TOO CUNT!

Back to the present day

I'm going to kick Justin's ass!

He needs a job and a woman his own age. Like that Shantel or whoever it is your sister's dating.

You want me to set that racist up with a black lesbian?

Perhaps she's not only into women. It's worth a shot anwyays.

Alright well I'll talk to you later Natasha!

Well hello Helen!

Stacy!

Looks like John's taking your husband's public masturbator to the big house tommorow!

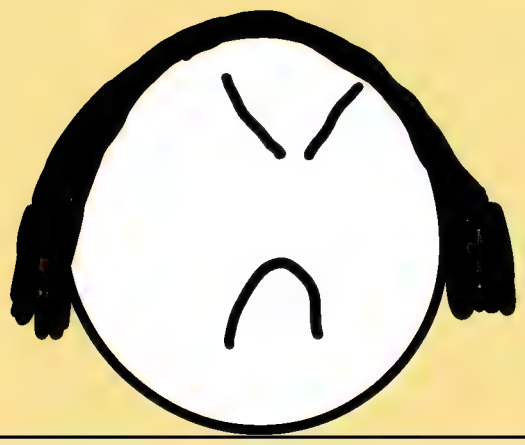
Alleged public masturbator! Haven't you ever heard of innocent until proven guilty you stupid cow?!

Alleged?!
He was caught pleasuring himself on security camera!
Like how your husband pleasures himself because you can't satisfy him!

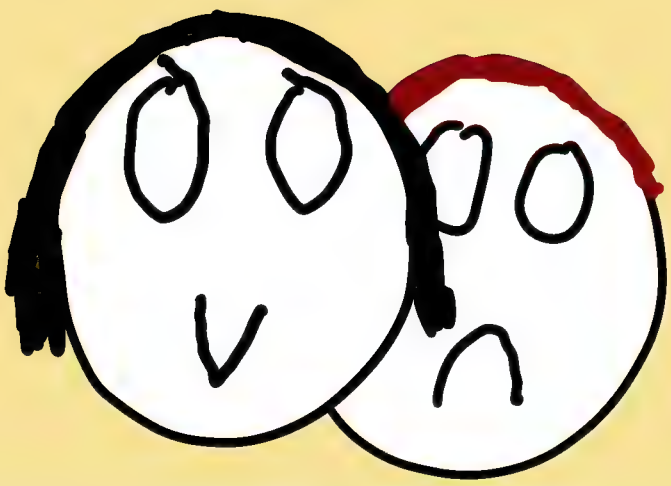
I bet you lie there like a dead fish while John does all the work!

If you're so good in bed then why does George fuck the muslim and the fat guy?!

Stop projecting your sick fantasies onto George!



What?!
I would never have sex with Divato!



O-or Farid!

Girl how John gonna feel when he find out you down bad for George employee?

Oh hey Sherice!
Where's Eugenia?

Jenny at work.
Not all of us can be housewives 'cuz our husband a lawyer.

Except Helen's not married to a real lawyer!

I heard you and that hag talkin' earlier. I ain't dating your brother. One Spirodakis enough for me.

That was a private conversation!

It ain't private if it about me!

Hey!
I'm not a hag!
I'm only 30!
That's prime childbearing years!

A young buck throw himself at you yesterday and you say you too old for him. Now you try to dump him off on me.

That's because he's a creep!

Oh so you too good for a creep but a creep good enough for me?

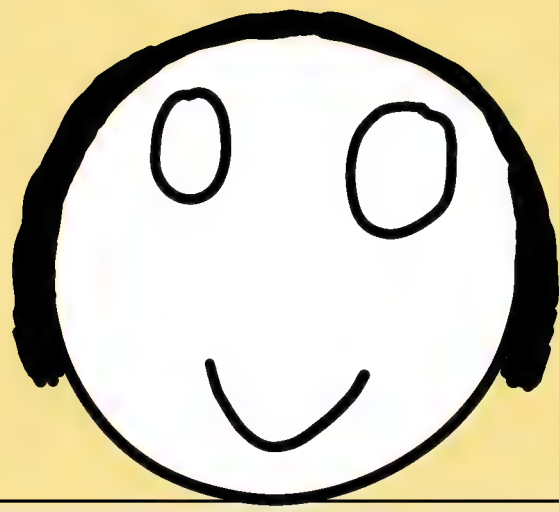
Being with a creep is better than living in sin!

And you don't got neither. Don't knock it 'till you try it girlfriend. Come over tonight and we'll show you the time of your life.

You don't have the tools for that!

Don't be talkin' about tools when you ain't never been in the shop!

This conversation is getting way too sexual for me. I gotta finish getting groceries.



Are you just going to ignore me Helen?!

Yes.

Helen arrives at home.

Hey Helen!
It's my 29th birthday today!

Porn

Happy birthday I guess...

You look sexy today Helen!

The Author's Corner

Hey it's The Author here!
You might be wondering why I made The New Adventures of Smiley Chapter 1 instead of The Adventures of Smiley Chapter 7. Well actually my hard drive died while I was working on Chapter 7. As you might have noticed some of the characters in Chapter 6 were traced from photos of various internet dudes. With my hard drive dead I no longer have the source photos I used making finished the New Year's Party storyline impossible. I decided instead to reboot the series with only original artwork. None of the traces or PNGs that littered the original Adventures of Smiley series.

With the rebooted series I decided to set the calendar back to April so the outdoor panels could be green and sunny instead of dark and snowy. I also cut out the part about George not showing up to work for three years because George being an actual lawyer instead of being an unemployed loser is much funnier to me. In addition to George and Farid I added a new character named Divato. Back in 2007 I made a series of voice recordings called 'Funny Stuff' on my grandpa's computer. In these recordings I would play two lawyers, one named Lawyer and one named Divato. These lawyers would sue anyone foolish enough to cross their paths in order to extort as much money as possible. Lawyer simply wanted the money to hoard it and Divato wanted the money to fund his obscene eating habits. Despite the name it wasn't very funny. I always wanted to reboot Funny Stuff someday and sometime after I started The Adventures of Smiley I already have a scumbag money-obsessed lawyer now all I need is Divato. The plan with the original series was to have Divato be a colleague of George at his old law firm. Sometime after George went back to his real job Divato would show up to work for him.

See you next chapter!
